EXPERIENCE

Walk Horizons — *Internship*

JUNE 5 2023 - JULY 5 2023

Developed a responsive and user-friendly web page during a front-end development internship at Walk Horizons.

EDUCATION

New Prince Shri Bhavani Arts and Science College, Medavakkam—MSc *Computer Science*

2022 - 2024

New Prince Shri Bhavani Arts and Science College, Medavakkam—BSc *Computer Science*

2019 - 2022

PROJECTS

Online Vehicle Rental System — MERN Stack & Tailwind CSS

 Developed a vehicle rental platform with listings, booking management, secure payments, search filters, rental history tracking, and user reviews. Integrated Stripe/Razorpay and built an admin dashboard for efficient management. - **Link**

Portfolio — Built using React, TailwindCSS, and EmailJS

Created a responsive portfolio with dynamic typing effects, an interactive contact form powered by EmailJS, and smooth animations. Used React.js for seamless functionality and TailwindCSS for efficient, modern styling. Features include professional role highlights and social media integration. - **Link**

Certificate Locker — Built using Python and SQL

Designed and developed a blockchain-based decentralized student verification platform, enhancing security, transparency, and efficiency in credential verification.

SKILLS

Programming Languages: Python, JavaScript

Web Development:

HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB, TailwindCSS

Databases:

MySQL, MongoDB

Version Control:

Git, GitHub

CERTIFICATION

MERN Full-Stack Development Certification — GUVI

React JS Development — Completed at GUVI

Guvi's certificate of Python Completion

ThiruThangal Nadar College, National Level Seminar Topic: AI & ML in Crime Prediction

LANGUAGES

English, Tamil

HOBBIES

Cricket, Gaming
